Headteacher's news:

I enjoyed speaking to the children in assembly on Monday about how they travel to school and about how they keep themselves safe on the streets. This links to Road Safety Week which is an annual calendar event and schools can engage with it as little or as much as they want. Our roads are becoming more and more congested and it is important that we raise and discuss these important issues.

I have spent a significant amount of time working on the school's website this week as it is due to have a facelift tomorrow. My work will largely go unrecognised as it has been related to the organisation of content and process 'behind the scenes' but you should definitely see a new look website by the end of the day. If you haven't done so already, please download the School Jotter App as we will be using this to push out newsletters, notifications and other information as we move forward.

This week in assembly we focussed on: Road Safety.

Training Day

Please remember that tomorrow **22nd November** is a Teacher Training Day and school will be closed to children. Teachers will be working hard on curriculum design, writing processes and early years pedagogy at Benton Park and then back at school.

Christmas Lunch

The school kitchen will serve Christmas lunch on Friday 20th December. If your child normally has sandwiches and would like a Christmas lunch on this day, please advise the school office by Monday 9th December.

Christmas Fayre

The Friends of Rufford Park have been very busy organising the Christmas Fayre. This will be held on Saturday 30th November. Please send in your donations as specified on the newsletter last week. Thank you for your continued generosity.

Important dates for your diary:

Dress Down Day in support of the Friends of Rufford Park - Friday 29th November.

Whole School Flu Immunisations - Tuesday 3rd December.
