Headteacher's news:

It has been a short week in school days but has felt much longer.

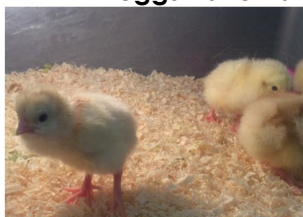

Test weeks always feel like this from my experience and we have had both Y6 and Y2 busy with their Key Stage Tests. The Y2 pupils will continue with their tests next week as we are allowed to be more flexible with the delivery. The Y6 children have followed a very tight timetable and have now completed their assessments in 'Grammar, punctuation and spelling', 'Reading' and 'Mathematics'. We assess writing using a teacher assessment judgement as opposed to a test.

We had a monitoring visit from the Local Authority on Thursday morning to check that the administration and storage of the test material was 'in order' and we were commended for our organisation and delivery. The children were also praised for how calm and focussed they were during this visit and this was the case for all the tests they have done this week.

Assessments have not dominated the week though and our hatchlings in Nursery have attracted a great deal of attention across school.

I hope you have a lovely weekend.

The new chicks in Nursery have caused great excitement. At the time of writing, 8 out of 10 eggs have hatched this week.

The Aireborough Family Service is running this group:

Autism— Parent Forum

Aireborough Family Services would like to invite you to a parent forum to be held at our offices in Albion House. The forum is an opportunity for parents of children with Autism, both pre and post-diagnosis, to come together to share their experiences, ask questions and discuss topics of interest in a welcoming environment. A guest speaker from the SENDIASS team will be attending to talk about the support options pathway and refreshments will be provided.

We hope you can join us.

There were **no assemblies this week** as the hall was being used for the Y6 pre-SATs breakfast club.

MAKE THE RULES DAY

On Friday 26 May, we will run the very popular 'Make the rules day'. We are in the process of finalising the rules and will send out the details early next week via a School Jotter App message.

Leeds School Uniform Exchange: item in for a second week

Our School Council are helping the office to create a second hand uniform exchange in school. The purpose of this exchange is to cut down on clothing waste and help families save money. Please could you donate any old school uniform that is in good condition, either with or without logos, to the school office? School Council members are going to help sort and organise the uniform and dates will follow as to when the stall will be available for parents/carers.
