Headteacher's news:

The Year 6 Residential has certainly been a highlight of the week and I hope the children enjoyed their visit to Peat Rigg as much as I did. We had a brilliant time in North Yorkshire challenging ourselves and working collaboratively as teams. The children were an absolute credit to themselves and to the school.

Other news this week includes some special activities in Nursery and Reception as the children learned about Chinese New Year.

Have a lovely weekend!

This week in assembly we continued the theme of **'Speak Up and Stay Safe'**

Y5 Dodgeball Runners Up!

Y5 were runners up in a dodgeball competition at Benton Park on Tuesday. Mr Spence was proud of the team and it looks like the practice we have had in our PE lessons has paid off. Well done!

Reducing printing at Rufford Park Primary School

Over the next few weeks I would like to phase out printing copies of Rufford Park Post for every child in school. In an ideal world, we would not send any paper copies home and parents / carers could catch up on the weekly news from Rufford via the School Jotter Mobile App. If you have not downloaded the App to your mobile device then please do. It is a simple process. Once installed, search for our school and then choose your alert settings. If you do not have a mobile device then we could email you a copy of Rufford Park Post each week. If you do not have access to a mobile device or email and would still like a paper copy of Rufford Park Post then please let us know and we will print one and send it home with the oldest child in school from your family. **Please complete this slip and return it to school only if you would like this newsletter emailing or printing. If you are using the App, there is no need to respond.**
