Headteacher's news:

This week I have been finalising plans for some internal improvements to be made to the Community Room. The new units, flooring and decorating will hopefully take place over Easter. This room is used for our very popular 'Before and After School Club' as well as throughout the day for meetings, group work and music lessons.

On Tuesday I met with the governors of the Pupil Support Committee. This group of governors monitor the school in a number of areas including: safeguarding, personal well-being, behaviour and pupil attendance - the latter of which is an ongoing priority for us. To help, please ensure that you make every effort to get your child to school every day. Please also avoid taking any holidays during term time.

Year 6 were back to normal 'duties' this week after their OAA exploits at Peat Rigg. Visit the Y6 or Y5/6 class page on the website or click [here](#) to view the photos from the residential.

This week our Year 2 and Year 4 pupils took part in a skipping workshop in school. They worked hard practising their individual and team skipping and they are working towards a skip-dance routine which they will perform at a Skipping Festival in June (Year 2) and March (Year 4). Details will be sent out nearer the time so keep practising!

This week in assembly we discussed how we are **all important, all different and all special.**

A Polite Notice / Reminder

Please do not walk down the access road to the left of the school building to get to the KS2 yard. This area is off limits to parents / carers. Thank you.
