Headteacher's news:

It has been another shorter week following the bank holiday weekend but it has been a very productive one. Some of our subject leaders have been looking at books and talking to the children about the curriculum as we continue to monitor the quality of education across school. This has included visits from governors too who play a supportive role in monitoring and professionally challenging the work we do. Details of [Our Governing Body](#) are on the website; the structure of the board as well as the [monitoring duties](#) are there too. Currently Jessica O'Hanlon is acting up as the Chair of the governing body.

Next week Y6 will be completing their Statutory Assessment Tests. The children have been working incredibly hard and should see these assessments as an opportunity to show off what they already know and understand. Year 2 will also be starting to complete KS1 tests from Monday.

Have a lovely weekend.

Living with Covid: The 1 April 2022 saw the removal of the requirement to have Covid specific risk assessments as part of the move to 'Living with Covid'. In line with this guidance, and building on the good practices schools have put in place regarding hygiene, cleaning, hand washing and ventilation, LCC H&S Team have now produced a sample Infection Prevention and Control in Schools Risk Assessment for schools to adopt. The basis of this risk assessment is that many of the controls that have been in place for Covid-19 also have benefits for managing other infectious illnesses that tend to arise in schools and provides a baseline for infection prevention and control that helps with all of these. VACANCY FOR THE POSITION OF CHAIR OF FRIENDS OF RUFFORD PARK

Rufford Park Primary School is looking for a new Chair of Friends of Rufford Park (FORP) for the year 2022-23. The role is to coordinate the work of the FORP and to ensure that the school has the support it needs to provide a high quality education for all its children.

WHAT THE ROLE INVOLVES:

- * Coordinate the work of the FORP
- * Organise the FORP events
- * Coordinate dates for meetings and events
- * Chair meetings and prepare the agenda - approx 4 per year
- * Welcome and involve new and current members
- * Write the annual report (based on events and funds raised)
- * Liaise with school regarding events, suggestions and how to spend funds
- * Promote events/fundraisers via Facebook and Class Rep Whatsapp groups

HOW MUCH TIME DOES IT TAKE FOR YOU TO DO IT?

This has been a very rewarding role. The school being part of the school community, having involvement in decisions being made to benefit all children and adults, getting to know all children and seeing them smile around school and hearing more from them. This is also helped by our very generous contributions from the school. Time spent if you have been made from you will be spent on the school for the benefit of all children.

WHAT SUPPORT IS ON OFFER?

Class Reps jobs to ensure to ensure although does so much more and along with the other members of FORP will be helping to guide to your Chair with helping you experience all these jobs and events. Whilst also helping to support our ideas anyone may have.

WHY DO WE NEED YOU?

FORP organises fun events and raises funds for the children, which enrich their learning and experience at school. We will have other fundraisers very soon, so you will need to be ready to help. We have a lot of fun, new books, playground equipment and subsidised school trips and will surely have exciting new ideas for the next year.

Over the past months of the year, FORP have organised over the year: Easter Eggs, Christmas Trees, Summer Fun Day, Halloween Trail, Movie night, Classics, Ice cream and cake sales, Socially Distanced sales, School Dinner and School Dinner Day.

This week in assembly... Miss Tidey revisited how we can keep ourselves safe at home, in school and online.

Outstanding citizenship: One of the Rufford Park's vision statements says that every child should 'be a good citizen who has a voice and can influence'. Opal in Y6 has excelled in this area as he has been independently raising money for the crisis in Ukraine. He has put his excellent artistic talents to superb use by producing and selling pieces of art. So far he has raised £300 through these six pieces of art work spending nearly 40 hours reproducing copies for his customers. A very well done to Opal.
