Headteacher's news:

Year 6 have been brilliant this week as they have completed their KS2 Statutory Assessment Tests. This is the first cohort that has completed these tests since I became Headteacher at Rufford Park and the first time that we have had to organise the administration for 45 children. The pupils showed excellent levels of concentration, gave their best and should be proud of their efforts. The papers have now been sent off for external marking and we will get the results at the beginning of July.

In other school news, the Y5 children (from 5/6 Ash) had a new classroom for the week as they were taught in the Community Room whilst the Y6 children completed their tests. Y2 have been completing their SATs and the teachers have been pleased with the children's efforts. Nursery have had visits from Sam's Safaris and a parent of the school as they have been learning about pets and animals - see pictures below. And Y3 and Y4 visited Yeadon Library.

The number of extra-curricular school clubs has increased in recent weeks with Y5 Drama Club, Y4 Chess, Y3/4 Spanish, Y3/4 Football and KS1 Multi-skills now taking place. Thank you to the staff who are running these activities.

Have a lovely weekend and enjoy the warmer weather. If it is hot in the coming weeks please make sure you send your child to school wearing sun protection and with a water bottle.

This week in assembly... There have been no assemblies from either myself or Miss Tidey this week as we have both been involved with the administration of KS2 SATs.

House Point Trophy... Today in special mention we celebrated the first House Point winners with our brand new trophy. The School Council have been heavily involved with the re-introduction of House Points following the pandemic. Was your child's house the winner this week?

Guiseley Theatrical Productions: are beginning auditions for their October 2022 production of Oliver. If you or your child are interested in getting involved with this, please [click here](#) and scroll down to find out more.
