## Headteacher's news:

From my viewpoint, this week has gone quickly. Our Reception children have been attending full time since Monday and have settled in well. Clubs have started, Open the Book visited and led KS1 assembly on Thursday and Y4 swimming started today.

On Tuesday, I met with the Headteachers from the rest of the schools in the [ALPT](#) and we shared school priorities to help us organise our collaborative work for the academic year. Here at Rufford Park, we will continue to work on our curriculum; we will continue to promote and provide opportunities for the children to be physically active; we will continue to develop our extra-curriculum offer; we will continue to raise the profile of the school within the local and the wider Leeds community; and we will continue to promote excellent attendance.

Our governors play a vital role in school improvement and we currently have a parent governor vacancy - the details of which can be [viewed here](#). I hope you have a lovely weekend.

The flyer below left is promoting a meeting with local Councillors about SEND provision across the ALPT. The aim of the meeting is to give parents a platform to discuss any concerns they have regarding provision. It is not about individual schools but rather the SEND offer for children in the area. Please just turn up on the day. The Aireborough Rotary Club are holding an event next Sunday at Rodley Nature Reserve (see below right).

Mrs Harris delivered an assembly this week on the theme - **the importance of self-belief and self-esteem**. They discussed:

- ◇ what self belief is
- ◇ how positive self-esteem can help us feel good on the inside
- ◇ how it gives us confidence in who we are and what we can do
- ◇ what to do if our self-esteem is low

**Parents' Evenings 2023-24:** there has been a change to the dates I shared with you last week and I am also able to share the Spring dates too:

## SEND Provision in Aireborough

**Thursday 28<sup>th</sup> September at 2:15pm at Yeadon Westfield Infant School**

All parents/carers in Aireborough are invited to attend a meeting/surgery to raise concerns and discuss their experiences regarding SEND issues.

The following Councillors will be available to hear your concerns and listen to your experiences.

**Cllr Jonathan Prior**  
Executive Member for Education at Leeds City Council

**Cllr Paul Alderson**  
Outer Northwest Children's Champion

**Cllr Oliver Edwards**  
Local Representative

This is the first meeting of its kind, and a great opportunity to meet with members of Leeds City Council. We hope that parents/carers will take this opportunity to speak to elected officials who are at the heart of decision making in the local area.
